DEFENDER\_110\_P400E **LAND ROVER**

Any Terrain. Any Time. Any Mission.  
The new Defender pays tribute to the  
history of the sturdy vehicle and is  
made for 21st century adventures.

## \_\_\_\_ **HYBRID**

Delivering remarkable fuel efficiency of just  $\varnothing$  3.1l per 100km without sacrificing performance. The hybrid engine delivers the perfect blend of innovation and power.

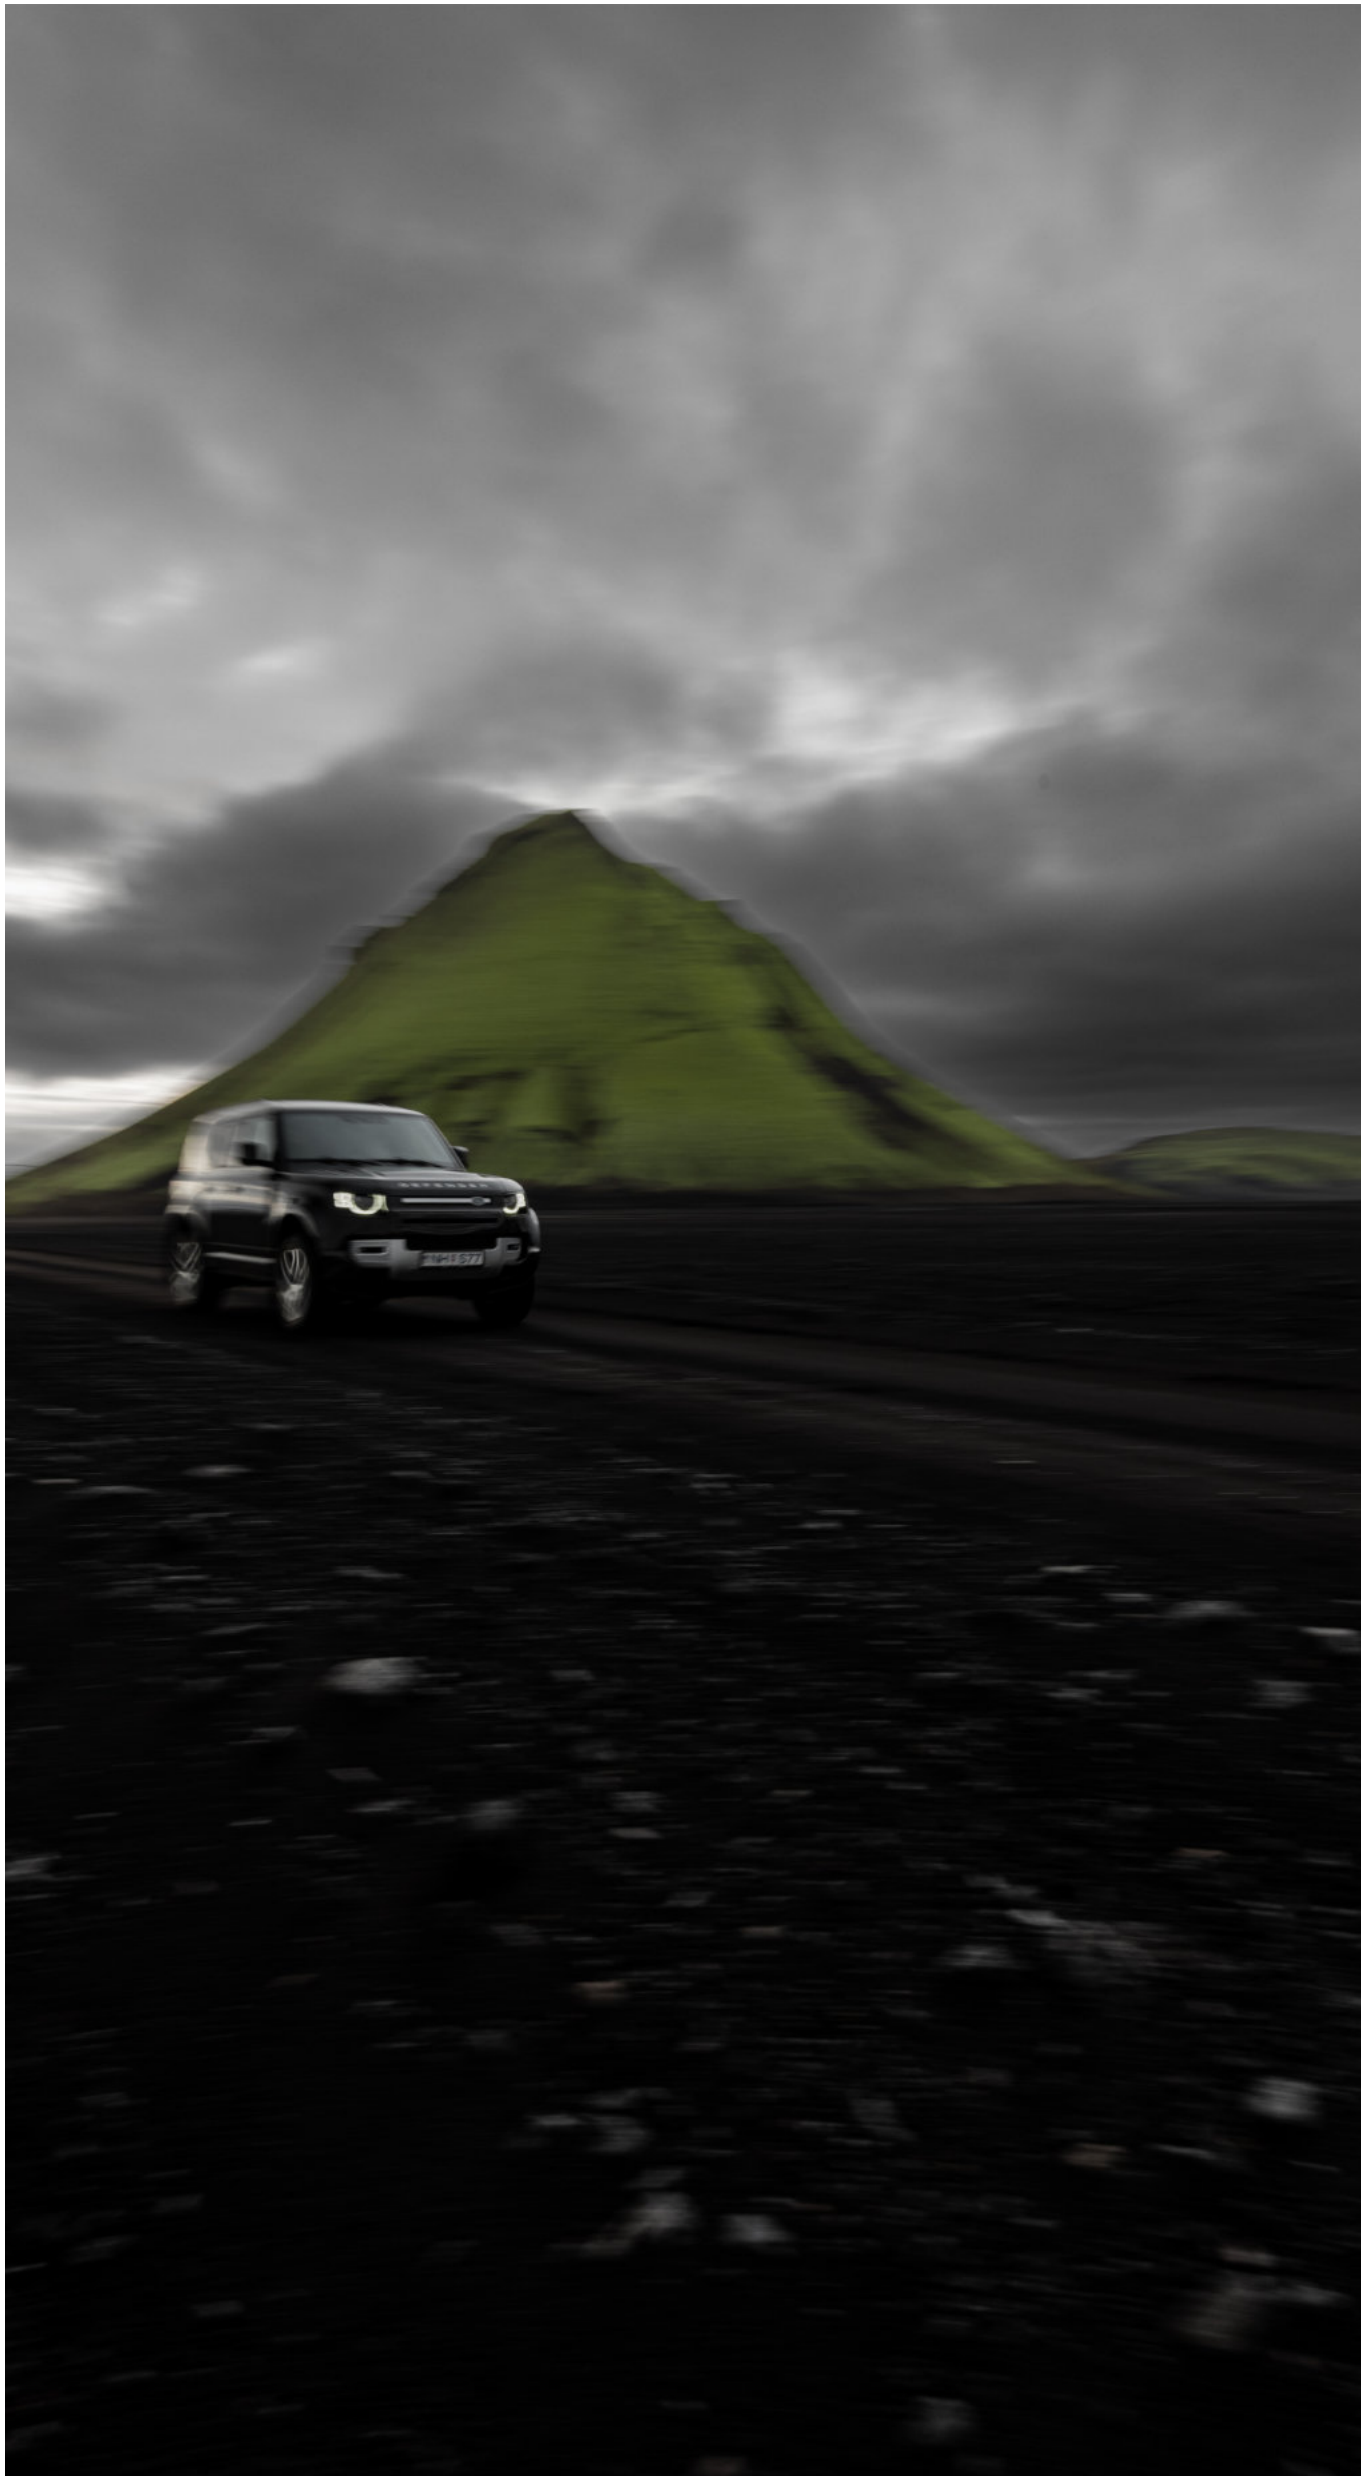

## \_\_\_\_ **404HP**

Expanding the unrivaled capabilities of a 2.6t Defender through its new 404hp engine, by accelerating from 0-100km/h in just 5.6sec. Dominate any terrain with confidence.

## \_\_\_\_ **900MM**

Powering through rivers and streams with ease, owing to its outstanding air suspension which allows a 900mm wading depth. Made to explore new frontiers.
